A Message from our President

Our big project in May is the 3rd Annual Reverse Raffle which was held on May 6. This fund raiser has good potential to grow and support more of the eyesight projects in our community. Phil Farias is the chair for this annual event at the Doubletree Hotel. Thanks for your support of this project.

The Georgia Lions University will be held on May 13 at Reinhardt College in Waleska, GA. This is a good meeting for all of current and new officers to attend as well as all of our members. This meeting will have workshops that will be helpful in assisting each of us to make our Club more effective and better serve Lionism.

Thanks to Millard Berman for leading a successful White Cane Day on April 22. We also had a great turnout for the Atlanta Air Show on April 29th and 30th. The Georgia Lions Lighthouse was the official charity working the various concession booths at the Atlanta Air Show. This was a great way to support the Lighthouse and their efforts to raise much needed funding for their 2006 programs.

Your Roswell Lions Club donated \$2,000 to the Georgia Camp for the Blind to enable them to purchase a Braille embosser/printer to use for preparing Camp mailings as well as for use at the Camp. Your Club was also able to provide an Optelec magnifier to the Camp that was donated to our Club. This unit, when new, cost about \$3,000.

Thanks to each of you for continuing to promote our Club to new potential members so that we can make a larger contribution in our community and to Lionism. Our May meeting would be a great time to introduce potential new members to our Club.

Thanks for all you do to support our Club and activities.

Lion Alan
